### **Bry-Air Welcomes Vice President Regional Sales, Midwest**

Sunbury, Ohio - August 2010, Bry-Air, Inc. announces the addition of Michael (Mike) Knott to the position of Vice President Regional Sales, Midwest, for the Company.

Mike joins us from Munters where he served in a similar role. He brings a wealth of knowledge and experience in many of the markets that we currently serve, and has experience in the food processing and refrigeration industries.

In conjunction with Mike's addition to the team, **Ron Will will now serve as Vice President Regional Sales, West.** Ron's role to manage the West Region will begin immediately.

For over 40 years Bry-Air, Inc. has been a leading manufacturer in producing custom designed desiccant dehumidification units. Bry-Air takes the time to know what their client's needs are, so they can find the optimal solution for their moisture and humidity problems. For more information on Bry-Air, Inc., and Bry-Air's services, please visit our website at [www.bry-air.com](http://www.bry-air.com).
